BBC *publications*

The easiest way to obtain B.B.C. publications is to send a cheque or postal order (a minimum of 5/-) to be credited to your account. Publications up to that value will then be mailed to you as they appear.

Notification will be made when your credit is exhausted: cheques or postal orders should be made out to the British Broadcasting Corporation and addressed to the Publications Dept. (The B.B.C. journals, THE RADIO TIMES, WORLD-RADIO, THE LISTENER, will not be sent unless special application is made: they can be obtained from any newsagent or bookstall.)
